Subject: Office requirements.

Sir,

In continuation of my former letters Nos 5 and 13 dated the 21st and 28th December 1953 respecetively, on the above subject, I have to report as follows:—

2. Shri R.H.Mirajkar, the former District Judge of Kanara has been transferred to Bijapur and shri D.S.Lupane has suceeded him at Karwar. After I had an interview with shri Mirajkar on 20-12-1953 on the subject of lending the services of some clerks from the Civil Courts to my office, I did not hear from him. As I could not waib long without clerical staff, I appointed one clerk from among raw candidates on 1-1-1954 and also requested the Collector of Kanara to lend the services of some trained and experienced clerks from his Department to my office. He has been pleased to depute a senior clerk and an ordinary clerk to my office. They have joined this office on 1-2-1954.

3. As stated above I have now a clerical staff of one senior clerk and ~~one~~ two ordinary clerks. I yet require the services of two ordinary clerks and a typist. To secure their services from the Civil Courts, I sought an interview with the present District Judge of Kanara shri D.S.Lupane at Karwar on 31-1-1954. He is aggeeable to land the services of two or three clerks from the Civil Courts to me, provided that the High Court permits him to do so. From the Secretary to the Government of Bombay Home Department, I received a copy of a D.O.Letter addressed by him to shri Palekar, Registrar, High Court, (Appelate side) requesting him to move the Hon'ble the Chief Justice and Judges of the High Court to permit

the District Judge, Kanara to spare the services of some experienced clerks from the Civil Courts in this District to my office. Shri Lupane, the District Judge of Kanara, in the abovesaid interview, however said that he has not yet heard from High Court on the subject. I have to request you to be so good as to invite the attention of the Registrar, Appellate side, High-Court to the urgency of the matter and to expedite the matter, if you deem fit to do so.

4. In my letter No 5 of 2nd January 1954, I have already reported that the appointment of the Competent Officer Karnatak Division and the staff and estaclishment of his office should be continued till the end of September 1954 at least. I hope that necessary steps are taken in that respect.

Yours Faithfully,

(M.M.Nadkarni)
Competent Officer
Karnarak Division,
Bhatkal.

The High court then were informed the under intimation to Govt
W.J, Kanara that there is no objection to his
sparing the necessary staff to C.O, Karwartak.

As regards para 4 of the C.O's letter, this
Deptt has proposed the continuance of this establishment
till 31.8.54 and the Pps have been referred C.O to Dis
for its concurrence.

No action, therefore appears necessary on this letter
which may be filed

Office of the Competent Officer,

Bhatkal, Dated the 6th Feb.195

Subject: T.A.Bills of Competent Officer,Karnatak Division.

Dear Shri Jain,

Herewith I enclose two T.A Bills in respect of to performed by me on transfer and duty.

2 One of the Bills is in respect of journey performed by me on transfer from Hubli to Bhatkal as the Competent Officer.

3 The other bill is in respect of a journey performed on duty from Hubli to Bombay and back and two journeys perform on duty from Bhatkal to Karwar and back.

4 In Government Letter, Rehabilitation Department No E.V.S 1153/41395-B dated 13-11-1953 addressed to the High-Court, Bombay and High Court's Letter No A 3982/51 dated 19-11-1953, I was directed to go to Bombay to contact the Secretary Rehabilitation Department and Shri Godbole, Competent Officer, after I took charge at Bhatkal.If I were to contact the said officers after I took charge at Bhatkal I would have been required to travel from Bhatkal to Bombay via Hubli; and back the same way. Hence, after I handed over charge of the office of the Civil Judge, Senior Division, Hubli and before I took over as Competent Officer at Bhatkal during my joining-time, I travelled ~~from~~ to Bombay from Hubli and back for the said purpose. By doing so, I have saved Government considerable expense as the cost of travelling from Bhatkal to Bombay and back would have far exceeded cost of the ~~xxxxxxxxx~~ journey performed by me from Hubli to Bombay and back..

5. In my letters N os 5 dated 21-12-1953 and 33 dated 2-2-1954, I have reported that I had to undertake two journeys to Karwar from Bhatkal and back for the purpose having interviews with the District Judge of Kanara at Ka in connection with recruitment of the staff of my office. On my way to Karwar during the first journey, I halted at Honavar and had an interview with the Collector, who was camping there.

As a result of the interview with the Collector, I have secured the services of a Senior Clerk and an ordinary-Clerk from the Revenue Department, for my office. As a result of the interview with the District Judges shri R.H.Mirajkar and shri D.S.Lupane, they have agreed to lend the services of two ordinary clerks and a Typist for my office.

6. I hope that you will kindly pay your earliest attention to the two T.A.Bills and get them countersigned by the Controlling Officer and forward them to the Treasury Officer of Kanara at Karwar for endorsing them for payment at the Bhatkal Sub- Treasury.

Thanking you in anticipation,

I remain,

2nd April 1954.

Dear Shri Jain

Please refer to your D.O.Letter No.EVS-3154/5400-B dated 26th March 1954 regarding my Travelling Allowance Bills.

2. By Government Resolution, Rehabilitation Department Nos.EVS 3153/B dated 24th March 1954 I am now declared as Head of Office for drawing Travelling Allowance Bills. My present post of Competent Officer, Karnatak Division came into existenance on the 18th December 1953 and from that day the orders contained in the said G.R. take effect. Hence I may not be entitled as Head of Office to draw a Travelling Allowance Bill in respect of a journey performed by me before the 18th December 1953.

3. I performed a journey to Bombay from Hubli and back during the joining time after I handed over charge of my former Office as Civil Judge, Senior Division at Hubli and before I took over as Competent Officer at Bhatkal on 18th December 1953. For the reasons stated in paragraph 2 above I apprehend that I may not be entitled as Head of Office to draw a Travelling Allowance Bill for that journey. The reason why I performed the journey during the joining time before I took over charge of my present office as Competent Officer here is stated in paragraph 4 of my former D.O.Letter No.44 dated 6th February 1954.

4. The defective Travelling Allowance Bill returned with your above said D.O.Letter is cancelled and retained here. A fresh T.A.Bill is now prepared for the journey to Bombay according to instructions contained in your D.O.Letter and is enclosed herewith. I hope that you will kindly get it counter-signed by the Chief Secretary to Government and forward it to

the

To

The Secretary to Government of Bombay,
Rehabilitation Department,
Secretariat (Annexe), Fort, BOMBAY.

Sir,

I suppose that letter no.5 dated 21-12-1953 written by me from Karwar regarding my office accommodation and establishment, has been duly received by you.

2. I have been trying hard to secure a Type-writer and furniture on hire for my office as directed in Government orders, but have not been able to secure any till now. Meanwhile I have secured four chairs and six tables on hire from the Mahalkary's office here. Besides the article furniture sanctioned in Government letter No.R.V.S. 40644-B dated nil December 1953 addressed to the Co... Officer, Bombay, the following seem to me to be absolu necessary for my office:-

(1) An office box
(2) A cash box
(3) Two benches with arms and backs for claimants and members of public attending the office.
(4) A big table for use of pleaders and members of public attending the office.
(5) Two lanterns.
(6) A clock
(7) A bucket for water
(8) A brass pot for drinking water.

I have to request that sanction may kindly be accorded obtain the above articles also on hire if possible.

3. Having regard to the local conditions, in addi to the staff sanctioned in Government Resolution Rehabilitation Department No.R.V.S.1053-B dated 18th 1953, a watchman seems to me to be necessary to office premises at night and outside office hou... to request that sanction may kindly be accorded to engs

a watchman for the office on the same pay and allowances as a peon.

4. Pending receipt of a reply to my abovesaid letter No. 5 dated 21-12-1953,no clerks are yet appointed by me for my office. Early orders are solicited regarding the proposal made by me in the said letter to secure some experienced clerks from the Civil Courts for my office.

5. The Competent Officer,Bombay has intimated to me that he has sent five parcels of office records etc by railway to the Mamlatdar of Hubli for forwarding to me. The same are not yet received here. I have requested the Mamlatdar, Hubli by letter and wire to forward the same to me.

6. When I had been to the Secretariat I was informed by the Senior Superintendent Shri Jani that two notifications were to be published in the Gazette regarding my appointment and jurisdiction under sections 4 and 19 of the Evacuee Interest (Separation) Act,1951 after I assumed charge of my office. I hope that the notifications are published by now. If they are published, copies of the same may kindly be supplie to me.

7. I have to request that early arrangement may kindly be made to supply Bombay Government Gazette Parts I/IA,II,IV,IV A IV B,IV C and VI to my office regularly.

8. A considerable amount of contingent expenses have to be met immediately for carrying records and furniture,painting office Board,etc. Similarly large amounts will be necessary to purchase stationery for the office, pay rent of office premises, furniture, type-writers etc, to meet travelling allowance bills of clerks taken from Civil Courts and also my travelling allowance bills. I have to request that definite sums may kindly be placed at my disposal for the said purposes and also to pay the pay and allowances of the clerks and peon and myself. It appears that by the letter No.E.V.S.1853/40646 -E dated nil December 1953 addressed to the Competent Officer Bombay, sanction is accorded to purchase service postage

23

stamps worth Rs.300/- for my office. I have to request that intimation be indly given to the Treasury Officer,Kanara and the Sub-Treasury Officer, Bhatkal regarding the various sums kept at my disposal for meeting expenses of the different kinds mentioned above.

9. A reference is invited to Financial Publication No.II Treasury Orders,Appendix No.I at page 48. When I had been to the Secretariat, I was informed that I would be authorised to countersign Travelling Allowance bills etc. as the Controlli Officer for my office. I have to request that necessary orders may kindly be passed in that connection as early as possible and communicated to the Treasury Offfcer, Karwar and the Sub-Treasury Officer, Bhatkal.

Yours faithfully,

Subject:- Office Requirements.

Reference: Your letter No. E.V.S.3153/151-B dated 23rd January 1954.

Sir,

It seems to me absolutely necessary to engage the services of a watchman to guard the office premises during the night and outside office hours. The two peons are required for duty during the office hours from 11 A.M. to 6 P.M. daily. It is not possible to call them for night watch duty. This is a very small place with sparse population where the security of unguarded premises during the night is doubtful. The Civil Court and other offices here keep strict watch on their office premises during the night in the interest of the safety of their records etc. Moreover my office premises are situate on the outskirts of the town. No other suitable premises were available for my office. Under these circumstances, I think that in the interest of the safety of the records, cash and other things in the office it is necessary to engage a watchman to guard the office premises during the night and outside office hours.

2. This place has no tapwater. Water has to be drawn from wells. An earthen pot cannot be used for drawing water from the well. Hence a copper or brass pot will be purchased for not only drawing water from the well but keeping the same for drinking purpose.

3. Out of the furniture sanctioned for my office in your letter No. E.V.S.2153/40644-B dated Nil December 1953 addressed to the Competent Officer, Bombay, the paper trays are not available on hire at this place. I have to request that

sanction may kindly be accorded to purchase 6 cane paper trays for my office instead of taking them on hire. Arrangement is being made to take on hire the other articles of furniture -- sanctioned in your said letter. The monthly hire of the same comes to about Rs.30/-.

Yours faithfully,

(M.M.Nadkarni)

Submitted with reference to U.N. dtd 11th

21/1/54.

2. The attached abovesaid letter dtd 20/1/54 requesting the hire of the articles of furniture and the purchase of the articles mentioned in para 2 of the U.N. may please. The hire of furniture may be sanctioned till 31/8/54 - the date till which the establishment of the E.O has been sanctioned. D' S.V. will please issue orders as regards para 9 of the U.N. mentioned above.

3. The E.O in his foregoing letter has justified the need for the creation of the post of watchman in this office. This office is situated at the village Bhathat (West Kameng) where the population is sparse. Besides the work of supervision of the interest of the evacuees from the non evacuees which has been entrusted to the E.O. is an important one in which many parties are involved and lest the records are misplaced with by the aggrieved parties, it is necessary that these records should be well guarded. Sanction may be accorded to the creation of the post of watchman in the scale of Rs 30-1/2-35

thus W.P till 31/8/54 – the date till which the establishment of the C.O, Karnataka Wg. has been sanctioned.

It is now proposed that the circumstances stated in para 3 of the CO's letter mention may be treated as the purchase of 6 nos paper trays through the D.S.O. for the office of the C.O.& Sn E.I, vide NO EVS 2153/40644-A, dtd the 4/12/53, the hire of these trays have been sanctioned inter alia till 28/2/54. The office of the C.O has been sanctioned further till 31/8/54. The articles of furniture hire of which has been sanctioned in the above E.I. will be required further by this Office. The hire of these articles may be sanctioned further till 31/8/54 after noa to WD/2W

The enquiry is debitable to "57-Misc.-M-Enquiry on Dpr-H- Enquiry in connection with the Administration of Evacuee Interests (Separation) Act, 1951" and will be met from the provision to be made thereunder in the next yr's budget.

The DD/Gen may please see this for concurrence in the above proposals after issue of the draft letters.

The R.H.Q. has referred this file (copy) to this Deptt. for/asking in regard to para 4 of its note of 24.3.54.

The proposals of this Deptt. are :—

(i) to extend the period of hire of the furniture beyond 28.2.54 upto 31.8.54.

(ii) to allow the Competent Officer, Bhatkal Karnatak Division, to purchase 6 cane-trays instead of hiring them as sanctioned by Govt. in R.H.Q. under its letter no. EVS 2153/40644 B of 4-12-53.

In this respect it may be observed — that under the G.L. R.H.Q. no EVS 2153/40644 of 4-12-53, sanction has accorded to hire certain furniture including six cane trays, for the office of the Competent officer for a period ending 28.2.54. The Competent officer had hired this furniture but could not get on hire 6 trays as they were not available. The office of the Competent officer, is now continued upto 31-8-54 and it will be necessary that the furniture which has been hired previously by the Competent officer, which may be agreed to should remain upto the said period. But

In the case of 6 Cane-trays it does not seem necessary to purchase them for only 4 months. He has pulled on so long without trays and it is not understood why he should not pull on without them. His first remaining 4 months. This is of course for the R.H.D. to decide.

If R.H.D. considers further necessary, D.D. will not object

This apart, on account of high price of cane-trays, they are not used even the Secretariat Depts. Instead of cane-trays, wooden trays are being made use of, as their price is much less than the former. With this R.H.D's note regarding the purchase of these trays through the S/Rd S.C.P.O. is not feasible because these trays are required at Bhatkal, in North Kanara dist. In the circumstances, if at all R.H.D decides to allow the Competent Officer to purchase these trays locally, he will have to do so from any of the Govt. or Govt-aid institutions, failing which he will have to do so by canvassing competitive rates from the local dealers of furniture.

(3) Government Letter, Rehabilitation Department No.3153/17531-B dated 22nd May 1954.

Sir,

In the first Government letter mentioned above sanction was accorded to hire the following articles of furniture for this Office, namely :-

Serial No.	Articles	
1	Officer's table	1
2	Officer's Chair	1
3	Clerks' tables	6
4	Chairs for the staff and visitors	12
5	Stools for peons	2
6	Cupboards	2
7	Confidential Box	1
8	File Racks	3

In the third Government letter mentioned above (paragraph 3) Continuance of the hire of the above articles was sanctioned till 31st August 1954.

2. In the second Government Letter mentioned above (paragraph 2) sanction was accorded to hire 2 benches with arms and back, and a small table.

3. This is a very small place. There are no regular dealers in furniture here. Articles of furniture are not publicly available here on purchase or hire. With great

difficulty I have induced three persons to spare the following articles of furniture for my office on hire, and they have done so. Those articles are :-

Articles		Quantity
Officer's table	...	1
Officer's chair	...	1
Clerks' tables	...	3
Chairs for the staff & visitors	...	5
Cupboards	...	2
Benches with arms & back	...	2

The persons who have given the above articles on hire demand monthly rent as follows :-

Articles	Monthly rent per article
Officer's table	Rs.1- 8-0
Officer's Chair	Re.1- 0-0
Clerks' Tables	Re.1- 0-0
Chairs for the staff & visitors	Re.0-12-0
Cupboards	Rs.3- 0-0
Benches with arms & backs	Rs.2- 0-0

4. In the Government letters quoted above it was directed that the rent of the articles of furniture should be settled in consultation with the Central Purchasing Officer. Hence I wrote several letters to him intimating the above rates of hire and requesting his approval for the same. He has replied saying that it does not come within the preview of his office to settle reasonable rent of furniture and suggesting that I may approach Government in the matter. A copy of his reply is enclosed herewith.

5. Having regard to local conditions, I think that the rates of hire mentioned in paragraph 3 above are reasonable and moderate. It is not possible to get the articles on hire at lower rates at this place. I have therefore to request that the above rates of hire may kindly be approved by Government.

6. Persons who supplied the abovesaid articles on hire have been pressing for payment of the rent. The same could not be paid to them yet, as time was spent till now in carrying on correspondence with the Central Purchasing Officer for fixing the rates of hire.

Please see the foregoing letter, dtd the 28/8/64 from the E.O, Karwatah Dn., Bhathal. The rates of hire of the articles of furniture stated by the E.O. compare favourably with those which were sanctioned for the office of the E.O, Bibwa particularly considering the place in which this office is situated. The truth of this is established in the following comparison.

Para 6 of ~~xxxxxxxx~~ M.M.Nadkarni's demi-official letter No.4537, dated the 15th July 1954.

Most of the cases in this Divsion are from Kanara. I believe that claimants in 80 per cent of the cases from Kanara are willing and ready to purchase the Evacuee's share in the composite property at the value fixed by the Competent Officer. Selling the Evacuee's share to the non-evacuee claimants is the easiest and quickest way of separating Evacuee Interest from the interest of non-evacuees. However the Evacuee's share cannot be sold to the no -evacuee claimants unless the Custodian of Evacuee Property consents thereto. The Custodian of Evacuee Property, Bombay and the Deputy Custodian of Evacuee Property, Kanara, do not intimate their consent to the sale of Evacuees ~~xxxxxxxxxxxxxxxx~~ share to non-evacuee claimants quickly after adjudication of the case. I therefore suggest that the Custodian of Evacuee Property, Bombay the Deputy Custodian of Evacuee Property, Kanara may kindly be requested to intimate their consent to such sales of Evacuee's shares as early as possible after they receive the copies of the orders of adjudication from this office. If they do not consent to the sale of Evacuee's share to the non-evacuee claimants at the prices determined by the Competent Officer, the lengthy procedure of either actual partition or sale of the entire composite property through the Sales Officers and the distribution of sale proceeds will have to be followed. Such procedure will take at least five months.

Please see para 6 of the competent Govt, Karnataka's D.O. letter. The suggestion made by the C.O there in the impugned properties should be sold to the non evacuee claimants at the value fixed by the C.O appears reasonable. This will also lead to the expeditious completion of the work - money in view of the fact that Govt has decided to close down the office of the C.O, Karnataka Bdr from 1/x/64. The extract of para 6 may be referred to the C-P with a request to give necessary instruction to the Dy. Custodians concerned as desired by the C.O.

(5) Government Letter, Rehabilitation Department No.EVS 1154/15711-B dated 6th May 1954.

Sir,

This Office was created on 18th December 1953 and in the first instance its duration was sanctioned till 28th February 1954. Then in the Government Letter, Rehabilitation Department No.EVS 2153-46712-B dated 21st December 1953 the hire of a type-writer for this office was sanctioned for the duration of this office then sanctioned i.e. till 28th February 1954. Subsequently the continuance of this Office has been sanctioned by Government till 31st August 1954. Further I am informed by Shri N.M.Jani, Assistant Secretary to Government, Rehabilitation Department in his Demi-Official Letter No.EVS 1254/25089-B dated 10th July 1954 that this Office would be continued till 30th September 1954. Though no sanction was expressly accorded by Government for the continuance of the hire of the

type-writer for this Office after 28th February 1954 its sanction for the same for the continued duration of this Office was assumed and the type-writer has been continued in this office till now. Needless to say that the type-writer is an indispensable necessity for this Office and will be required until the office is finally closed down. The Accountant General in his Letter No.DA-XVII/Misc/1/1767 dated 9th July 1954 has asked this Office to point out the authority for the continuance of the hire of the type-writer beyond the 28th February 1954. I have, therefore, to request you to be so good as to move Government to accord express sanction for the continuance of the hire of the type-writer after 28th February 1954 upto 30th September 1954 and to communicate the same to the Accountant General.

2. In anticipation of obtaining Government's sanction as aforesaid, the hire of the type-writer is being still continued.

3. In Government Letter, Rehabilitation Department No.EVS 3153/17531-B dated 22nd May 1954 (paragraph 3) sanction is accorded to continuance of the hire of the following articles of furniture till 31st August 1954, viz :-

Serial No.	Articles	Quantity
1	Officer's table	1
2	Officer's Chair	1
3	Clerk's tables	6
4	Chairs for the staff and visitors	12
5	Cupboards	2

Similarly in Government Letter, Rehabilitation Department No.EVS 3153/10637-B dated 25th March 1954 (paragraph 2) sanction is accorded to the hire of two benches with arms and back till 31st August 1954. Now that the office is to be continued till 30th September 1954 I have to request you to be so good as to move Government to accord sanction to continuance of the hire of the articles of furniture at serial nos.1 to 5 above and also of the two benches with arms and back till 30th September 1954.

4. In Government Letter, Rehabilitation Department No.EVS 3153/3410-B dated 8th March 1954 (paragraph 3) it was stated that Government's approval is necessary for payment of monthly rent for

xhx

the office accommodation. In my letter No.4316 dated 3rd July 1954 I have requested Government's approval for a monthly rent of Rs.49/- for the office accommodation. The Office premises were occupied on 1st January 1954. Now that the Office is to be continued till 30th September 1954, I have to request you to move Government to sanction payment of rent for the office accommodation from 1st January 1954 upto 30th September 1954.

5. In Government Letter, Rehabilitation Department No.EVS 1154/15711-B dated 6th May 1954 sanction is accorded to the continuance of the Permanent Advance of Rs.20/- for this Office upto 31st August 1954. Now that this Office is to be continued till 30th September 1954 I have to request you to be so good as to move Government to sanction the continuance of the Permanent Advance till 30th September 1954.

No. of 1954.
Office of the Competent Officer,
Karnatak Division, Bhatkal, North Kanara,
30th September 1954.

To

The Secretary to Government of Bombay,
Rehabilitation Department,
Secretariat (Annexe),
Fort, Bombay.

Subject :- Closure of the Office of the Competent Officer, Karnatak Division, Bhatkal.

Sir,

By Government Resolution, Rehabilitation Department No.RVS 1054-B dated 16th August 1954 the continuance of this Office was sanctioned uptil to-day i.e. 30th September 1954. Hence this Office is closed ~~to-day~~ and I have relinquished charge of my Office here to-day in the afternoon. Only the pay of Establishment of this Office remains to be disbursed. The amount of the pay of Establishment will be received from the Government Sub-Treasury at Bhatkal, to-morrow. As soon as it is received the pay will be disbursed to the members of the establishment to-morrow. The services of all the members of the Establishment of this Office are terminated to-day after Office hours.

2. The rent of Office premises has been paid to the landlord uptodate.

3. A Type-writer was sanctioned to this Office till 28th February 1954. The hire of certain articles of furniture was sanctioned to this Office till 31-8-1954. In my letter No.4532 dated 15th July 1954 I requested that the continuance of the hire of type-writer and articles of furniture should be sanctioned till 30th September 1954. Formal sanction has not yet been received here. It would not have been proper to close this Office and leave this place without paying the ren of the type-writer and the articles of furniture. As I have already reported in other letters, the rent of the Office type-writer is being paid every month in anticipation of Government's sanction. The amounts of rent of the articles of furniture and type-writer for the month of September 1954 have

been drawn from Bhatkal Sub-Treasury on Abstract Bills in anticipation of Government's sanction and the same have been dispursed to the persons from whom the furniture and type-writer were taken on hire.

4. In Government Letter Rehabilitation Department No.EVS 1154/15711-B dated 6-5-1954 a permanent advance of Rs.20/- was sanctioned for this Office upto 31-8-1954. Amounts spent out of the Permanent Advance from time to time till 31st August 1954 were being recouped from Government Treasury by preferring Detailed Contingent Bills. On 27-9-1954 Clerk Mr.K.P.Joshi from this Office was deputed to Sirsi to despatch the records of this Office to the Competent Officer, Bombay by Railway. The expenses of sending the records to Sirsi by S.T.Motor Bus amounted to Rs.20-10-0. Not only the whole amount of Rs:20/- of the Permanent Advance of this Office was exhausted in meeting the charges of despatching the records to Sirsi but Mr. K.P.Joshi had to pay Re.0-10-0 more out of his pocket for the purpose. I, therefore, hold no amount of Permanent Advance of this Office in my hand. I am not recouping the amount of Rs.20-10-0 by preferring a Detailed Contingent Bill as there is no time left to do so. The vouchers for the whole sum of Rs.20-10-0 spent for despaching the records to Sirsi are being forwarded to the Controlling Officer, namely, the Competent Officer, Bombay. For the sum of Re.0-10-0 spent by Mr. K.P.Joshi out of his pocket I shall request the Competent Officer, Bombay to prefer a separate Bill.

Yours faithfully,

(M.M.Nadkarni)
Competent Officer, Karnatak Division

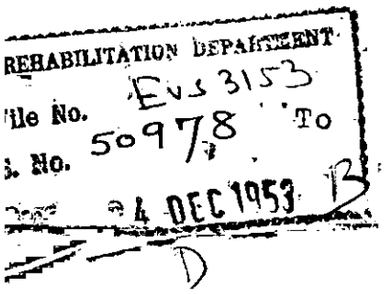
No. 5 of 1953.
21st December 1953,
Karwar, (District North Kanara)

From

Shri M. M. Nadkarni, B.A., LL.B.,
Competent Officer, Karnatak Division,
Bhatkal.



The Secretary to the Government of Bombay
Rehabilitation Department,
Secretariat (Annexe),
Fort, Bombay 1

Sir,

In my letter no. 1 dated the 18th instant, I have already reported to you that I assumed charge of my new office at Bhatkal in the forenoon that day.

2. The upper storey of a building at Bhatkal has been secured for my office. The landlord agrees to accept any reasonable rent that the Collector may fix. The Collecto is requested to fix the rent.

3. I have engaged two peons for my office as from the 18th instant.

4. As regards the clerical staff for my office, I stated in my personal interview with you and the Assistant Secretary Shri Fernandez on the 11th instant, that I would like to draft some clerks from the Civil Courts for my offic just as the Competent Officers at Ahmedabad and Surat did. With a view to ascertain the possibility of recruiting clerks from the Civil Courts for my office, I sought an interview with the District Judge of Kanara, Shri. R. K. Mirajkar, here at Karwar, yesterday. He told me that many clerks in the Civil Courts are to be discharged soon and that it would be possible to spare almost all the clerks that I want for my office from amongst them, provided the requisition for the same is made to him immediately. He also said that he will have to consult the High Court before deputing the clerks to my office. From enquiries made by me at Bhatkal, Honavar, Kumta and Karwar, it appears that no stenographer would be available in this District for my

office at present. Instead of a Stenographer, an ordinary typist clerk will have to be employed. The District Judge, Kanara wants to know the scales of pay and other prospects in service of the clerks that may be deputed to my office. It is needless to say that to start and organize a new office with expedition and without delay, experienced clerks will be necessary. In trying to organize an office with altogether new and raw hands, there may be much difficulty and delay. To attract experienced and capable clerks from the Civil Courts for my office, it may be desirable to offer them an increment over their present pay. I have to request you to be so good as to request the Registrar, High Court, Appellate Side, Bombay to write to the District Judge, Kanara to spare the services of the senior and ordinary clerks required for my office and also to supply him full information regarding their scales of pay and other prospects while serving in my office. I hope that this matter will be treated as very urgent.

5. When I had been to the Secretariat on the 12th instant, the Superintendent of your Department Shri Jani supplied me copies of the two letters Nos. E.V.S. 1853/40646-B and E.V.S. 2153/40644-B addressed to the Competent Officer, Bombay on the subjects of Supply of service postage stamps and Articles of furniture required for my office. Except for the instructions contained in these copies of those two letters I am not yet given any directions regarding the clerical staff that I have to appoint for my office, though I was orally informed that I would have a Senior Clerk, four Ordinary Clerks and a Stenographer for my office. So also, I have not yet received any orders regarding the permanent advance for contingent expenses, funds for paying of ~~hire~~ Office rent, printed forms and envelopes, stationery, etc. I have to request that necessary orders on these subjects and the like may be issued and sent to me as early as possible..

6. The nearest railway station for Bhatkal is Hubli. The Southern Railway has an out-agency at Sirsi (North Kanara). If any parcels or records are to be dispatched to my office by railway, they may be sent to me care of the Mamlatdar, Sirsi (North Kanara), with an intimation to me. I shall arrange to receive delivery of the same through the Mahalkari of Bhatkal.

7. It takes about four or five days for a letter to reach from Bhatkal to Bombay or vice versa by ordinary post.

8. I am leaving this place for Bhatkal this afternoon. I shall submit another report regarding my requirements after I reach Bhatkal.

Yours faithfully,

Competent Officer, ~~Kanara~~ Karnatak Division

The attached draft D.O. to the High Court may issue from the H.D.

2. As regards para. 5 of the foregoing C.O.'s letter, the necessary orders on all points except for provision of funds for payment of office rent have since been issued. As regards his proposal for provision of funds for payment of monthly rent for his office premises, he may be asked to forward separate proposals to Govt.(he has not done so far!) and obtain its sanction. (3) This Office Letter No.3476 dated 28th May 1954.

(4) Government Letter (Rehabilitation Department) No.3153/10637-B dated 25th March 1954.

Dear Shri Fernandez,

I take particular care to see that all office bills are settled and paid as expeditiously as possible. I however regret that the monthly rent of the Office premises and of the furniture taken on hire for this Office could not be settled and paid till now for the reasons mentioned below.

2. In Government Letter (Rehabilitation Department) No.EVS 3153/11624-B dated 21st April 1954 it was directed that the rent of the office premises should be fixed in consultation with the Executive Engineer, Public Works Department, Kanara, and that a report should be submitted to the Government for final approval. Accordingly I wrote letter No.1431 dated 26th April 1954 to the Executive Engineer giving a full description of the premises occupied for this Office, and requesting him to arrange for inspection of the premises and determine the reasonable rent of the same. As he did not reply to my said letter I wrote two reminders Nos.3076 dated 12th May 1954 and 3475 dated 28th May 1954 inviting his attention to the urgent nature of the matter and requesting him to deal with it expeditiously. Still I have not heard from him in reply. For

this reason the rent due to the landlord for the Office premises from 1st January 1954 till now has not been paid. I shall be much obliged if you will kindly request the Executive Engineer to determine the reasonable rent of this Office premises as early as possible.

3. I was directed to settle the rent of the articles of furniture taken on hire for this Office in consultation with the Central Purchasing Officer, Bombay. Hence I carried on a long correspondence with him to settle the rates of rent of articles of furnitures taken on hire for this Office. Ultimately he informed me that it did not fall within the perview of his office to settle the rent of furniture, and suggested that I may obtain Government's approval for the rent. Hence I wrote letter No.3476 dated 28th May 1954 to Government in the Rehabilitation Department to accord sanction to rates of rent proposed by me. The rates of rent of the furniture are not yet approved by Government. Hence the monthly rent of the articles of furniture taken on hire for this Office could not be paid till now. I shall be much obliged if you will kindly obtain Government's approval to the rates of rent mentioned in my said letter at an early date.

4. I wish to lay a few lines before you on an analogous subject now. In Government letter (Rehabilitation Department) No.3153/10637-B dated 25th March 1954 (paragraph 3), sanction was accorded to purchase certain articles for this Office. Among them are two lanterns. It was directed that the lanterns should be purchased through the Central Purchasing Officer, Bombay. Accordingly I wrote to him a letter to purchase two lanterns for my Office. He has informed me that if I require the lanterns urgently I may accommodate the purchase according to the provisions of Government Resolution, Development Department No.1051 dated 11-2-1953. This Office does not possess a copy of that Government Resolution. Nor is a copy thereof available in any other

other Government Office at this place. There is no electric lighting at this place. This being the rainy season, it is dark even during day time owing to cloudy weather. This Office feels urgent need to purchase the two lanterns. To enable it to do so, kindly supply me a copy of the said Government Resolution (Development Department)No.1051 dated 11-2-1953 at an early date.
